

2024 TCNJ Graduates: You Must Order Your Severe Weather Tickets Now!

No tickets are needed or required if the ceremonies can be held outside in Lions Stadium as scheduled. **HOWEVER, in the event of severe weather, your ceremony will be moved indoors to the Recreation Center and your guests must have tickets to attend.** You are allotted only two guest tickets for the indoor ceremony. **You must go online now to get them.**

If you are eligible to attend the ceremony for more than one school – e.g., a dual or double major whose majors are in different schools – you do not have to follow this process. Your severe weather tickets will automatically be loaded into the system and emailed to you.

If you are only eligible to attend the ceremony for one school – e.g., a single major OR a dual or double major whose majors are both in the same school – please follow these steps as soon as possible:

1. Go to tcnj.edu/boxoffice (or scan the QR code to the right).
2. Click on the blue “Log in/Register” button at the top and log in using your TCNJ credentials.
3. Select the commencement ceremony for your school and request either one or two tickets; you are entitled to two free severe weather tickets *for your school ceremony only*.
4. Complete the “purchase” process (there is no cost), and you will receive your tickets via email.

All majors:

1. If you cannot find the ticket email in your inbox, first check your spam folder. If you do not see the email, log in to the ticketing system at tcnj.edu/boxoffice again to retrieve them. This applies to single, dual, and double majors.
2. Share your severe weather tickets with your guests by:
 - printing the PDF
 - emailing the PDF
 - forwarding the mobile tickets directly to their phones.
