

2026 TCNJ Graduates: What You Need to Know About Guest Tickets

Tickets are not required if your ceremony is held outside in Lions Stadium as scheduled. However, in the event of severe weather, your ceremony will be moved indoors to the Recreation Center.

School of Business and School of Humanities and Social Sciences Graduates ONLY

Due to the size of your graduating class and the space constraints of the rec center, you will be allowed only two guests each* if your ceremony is moved indoors. **Your guests must have severe weather tickets – which you must order in advance – to attend the indoor ceremony.**

Please order your guest tickets online today (applies to single, dual, and double majors):

- Go to tcnj.edu/boxoffice (or scan the QR code to the right).
- Click on the blue “Log in/Register” button at the top and log in using your TCNJ credentials.
- Select either the **School of Business** or the **School of Humanities and Social Sciences** and request either one or two severe weather tickets.
- Complete the “purchase” process (there is no cost), and you will receive your tickets via email.
- Don’t see the ticket email in your inbox? Check your spam folder. If needed, log in again at tcnj.edu/boxoffice to retrieve your tickets.
- Print or email the PDF of your ticket(s) and share with your guests.

*An indoor simulcast viewing area will be available for additional guests.
